CAREER VALUES

The following is a list of 18 values related to work. Rank them 1-18 in order of importance to you.

- | | |
|-------------------------------|-----------------------------|
| _____ Being secure | _____ Exploring ideas |
| _____ Creating ideas | _____ Taking responsibility |
| _____ Having fun | _____ Experiencing variety |
| _____ Having status | _____ Following directions |
| _____ Helping people | _____ Making money |
| _____ Being physically active | _____ Improving society |
| _____ Making things | _____ Organizing things |
| _____ Creating ideas | _____ Making things |
| _____ Being independent | |
| _____ Taking risks | |
| _____ Creating beauty | |

Your career values are an expression of personal values. If your values are clear, it will be easier to choose careers that are in harmony with you.

Material is taken from Coming Alive From 9-5.
